### History of the Increase Clapp House

For more than 200 years, this lovely brick Federal was home to generations of Clapps and Schweirs who lived and worked there from 1808 to 2016. Donated to the town, the house was given to the nonprofit Clapp House Preservation, Inc. Its six-member Board (all South Windsor residents) was formed in 2022 with a mission to

- Restore the exterior of the house while preserving its historic significance and charm
- Renovate the interior of the house to ensure its compliance with building codes and ADA standards
- Ensure the house continues to be cared for, preserved and **used** for years to come
- Establish a high-profile presence for the **South Windsor American Legion Post 133 (Abe E Miller)**
